mes on Wednesdays and Saturdays.
This series will commence next Wednesday with a game between the 4th lavairy and 25th Infantry.

Judging by the four practise games haved during the past three weeks he 1st Field Artiflery has a much tronger team than last year, and should put up an interesting contest gainst the Portuguese. In the first of these practise games, July 7th, they are defeated by the 25th Infantry to 3, in spite of the fact that they hade half again as many hits as the loughboys. A few days later the 1st mantry beat them 5 to 4, but in a startry beat them 6 to 4, but in a sturn game they delected the let in intry 7 to 6. Yesterday they took

star catcher Duncan, is developing into a strong aggregation. Lieut. H. W. Hall is holding practise daily and expects to put up a strong bid for the post championship. Afters has been elected field captain in place of Grammith. In the game yestering Duncan secured a single and a double in two times at bat, and stole three bases.

But interest to the polo tournament by no means ends with the playing of the first game. On the contrary, it should be on the increase right up the first game. On the contrary, it should be on the increase right up to the final matter text Saturday. The reason for this is that while the schedule brings the two strongest teams together in the fnitial game, there is all sorts of speculation as to the showing that the Army four will make this season. On paper this looks like the strongest team that the service has put into the local field, and its relative showing against Mani next Tuesday, and Oahu the following Saturday will afford interesting lines for comparison.

I the Club broke the world's record for the 150-yard backstroke, which he won easily. Hebner's time of 1.53 3.5 displaces the record made several years ago by Weckesser, the Belgian tank star. Weckesser's mark was a fifth of a second slower.

Hender holds the American record for the 150-yard backstroke at 1:45 3-5, but this cannot be considered a world's mark, for a world's record must be made in a 75-yard tank, such as Sutro's. Hebner made 1:49 3-5 in a 60-foot tank in the East.

Hawaiian Swimmers Carry Off Honors of First Day of Meeting

According to the San Francisco papers of July 17, which arrived yesterday with the full account of the first night of the big swimming meet, Clarence Lane pressed Duke Kahanamoku hard for first place in the 50-yard

The San Francisco Examiner says: Duke P. Kahanamaku of Honolula was the stellar performer in the Panama-Pacific International Exposition swimming championships, which started l'st night and will be completed tonight at Sutro Baths.

Kahanamoku won the 50 and 226 yard events in fast time and showed better form than he has on any of his other trips to the Pacific coast. William T. Rawlins, Duke's trainer says the big Kanaka is swimming better than ever before and the champion's victories last night strengthen Rawlins' statement.

In the 50 Duke finished a foot ahead of Clarence Lane, his teammate. George Cunba, another Hawaiian, wis a close third. Arthur Raithel, the Illinois Athletic Club crack, who defeated Kahanamoku in the 50-yard event July 4 last, did not place.
